

CHÂTEAU MALARTIC-LAGRAVIÈRE

Pure, intense and aromatic, white flower, ripe citrus and stone fruit, great intensity on the palate, concentrated and broad, yet in a firm and very crisp package, very long and persistent, a very fine example, truly mouthwatering. **94**

ANDREAS LARSSON

GRAVES WHITE

CHÂTEAU CARBONNIEUX

Very pure and fresh nose with notes of grass, yellow fruit and honey, intense and very vibrant palate with zesty fruit, mineral notes and discreet hint of oak, very long and lingering finish, already delicious but with the stuffing to age well for many years. **93**

CHÂTEAU OLIVIER

Redolent of flower, white fruits and some herbal notes, very crisp palate with bright acidity and notes of ripe citrus, charming persistence and purity on the finish. **91**

CHÂTEAU COUHINS-LURTON

Lightly smoky and mineral notes with hints of gunpowder, almond, citrus and minerality, the palate is attractively firm and tight knit with elegant fruit, some fine hints of wood and a long tight finish. **92**

CHÂTEAU BOUSCAUT

Floral and aromatic with some mineral notes, tropical fruit

and gunpowder, the palate is fairly opulent and creamy with mild acidity, generous fruit and rich finish, very accessible and enjoyable. **90**

CHÂTEAU SMITH-HAUT LAFITTE

Great purity and aromatic finesse, ripe citrus, stone fruit and camomile, beautiful concentration, very dense and lingering flavours, plenty of extract and freshness and a truly impressive aftertaste, hard to resist today, but will surely develop a lot of complexity over the coming years. **95**

DOMAINE DE CHEVALIER

Intense and ripe nose with notes of minerality, quince, grey pear and some creamy notes, the palate shows rich texture, fairly round and opulent with some notes of wood and vanilla, yet underlined by fine freshness, good length, still some oak on the aftertaste, should be allowed to have some further ageing to gain nuance and harmony. **92**

CHÂTEAU PAPE-CLÉMENT

Rich ripe and tropical nose with notes of smoke, new wood, flower and yellow fruit, the palate is very unctuous and creamy with abundant fruit and mild acidity, assertive and bold with a really long finish, attractively drinkable and opulent, but will gain more complexity from further ageing. **93**
