Le Petit Smith Haut Lafitte 2023

Organic & biodynamic agriculture

Le Petit Smith Haut Lafitte is crafted and aged in our energy-plus facilities with the same care as the estate's Grand Vin. From the vineyard to the cellar, the entire winemaking process is exactly the same.

Yield : 26 hl/ha, prior to selection for the estate's three wines: Chateau Smith Haut Lafitte, Les Hauts de Smith and Le Petit Smith Haut Lafitte.

Assemblage :

60 % Cabernet Sauvignon

40% Merlot

Winemaking : Grapes are sorted twice, before and after destemming, and are not pressed before undergoing fermentation in vats. Tannins and color are extracted by punching down and/or pumping over.

Ageing : 14 months in barrels (20% new barrels) produced in our in- house cooperage.

Tasting notes from Fabien Teitgen, Winemaker :

"A preview of the Grand Vin: clarity and purity, lively fruits, silky tannins, incredible freshness, precision, juicy finish. A captivating, highly seductive wine. It offers good tension and a fine structure, showcasing the quality of this year's Cabernet Sauvignon. Dark and intense color, with an aromatic and slightly smoky nose, meticulous and silky mouthfeel, with well-integrated tannins. It boasts a delightful and aromatic length."
